A Note from Mrs. Jackie

Re-Registration for the 2024/2025 School Year

If you plan to keep your child here at our school Our Pioneer re-registration will begin the week of February 3rd with a special registration rate of \$50. For your child to stay enrolled in August we will need a new registration packet filled out for each child.

Your Child's Safety Matters:

Help us keep your child safe by using entrance door cards. Our doorbell is ONLY to alert our staff of an unfamiliar person who wants entry into our school. Our security system was established by parent access. As the world has grown more suspicious, it is important that

EVERY parent and staff member utilize the safety measure we have in place by swiping their access cards for entry. If you need a new access card, please stop by the office and we will be more than happy to get you a new one for a \$10 rental fee.

Motor vehicle injuries are a leading cause of death among children in the United States, but many of these deaths can be prevented. Parents and caregivers can reduce the risk of serious injuries and deaths by up to 80% by making sure children are properly buckled in the correct car seat or booster seat.
