A NOTE FROM MRS. JACKIE:

Safety Reminder for Our Parking Lot

As a preschool, we want to remind everyone of the importance of safety in our parking lot. We understand that mornings can be rushed, but we kindly ask that you drive slowly and carefully, especially during peak hours (7:45 am–9:00 am and 4:30 pm–6:00 pm). While we encourage children to stay close, they can sometimes dart out unexpectedly. Please be extra vigilant and watch for kids coming from all directions while driving through the lot.

By staying aware, holding your child's hand, and driving cautiously, we can all work together to keep our parking lot a safe place for everyone. Thank you for your attention to this matter and for helping make our school environment safer for all the little ones!

Building Access Reminder

In addition to parking lot safety, we also want to remind parents to use their access cards to enter the building. If you've lost your card or an authorized pickup person needs access, please ring the doorbell for assistance. We ask that parents refrain from using the doorbell regularly, as office staff may be working in classrooms, preparing lunch, or assisting teachers and other parents. This could cause delays in giving you access to the building.
