THE DRAWBRIDGE

June 2025

A Note From Mrs. Jackie

As the sun shines brighter and the temperatures rise here in beautiful Florida, I want to take a moment to share an important reminder about keeping our little ones safe and healthy during these warmer months.

Florida's heat and humidity can sneak up on us, especially during outdoor play. Children are more susceptible to dehydration than adults, so it's important that they're drinking plenty of fluids throughout the day — even if they don't feel thirsty. Water is the best choice, but adding a splash of fruit or offering hydrating snacks like watermelon or cucumber can make it more fun and appealing.

Open your child's eyes to the world of books!

We're excited to announce a fun summer reading partnership with Chuck E. Cheese to help encourage and reward your child's love of literacy! This summer, each child will receive a reading calendar to track their reading at home. Once your child reads (or is read to!) for two weeks, they can return their completed calendar to Mrs. Jackie and receive a special certificate for free tokens at Chuck E. Cheese!

Reading together is a great way to build language skills, spark imagination, and spend quality time as a family. Let's keep those little minds growing all summer long — one book at a time!

SUMMER TIME WATER DAYS!

BEGIN THE WEEK OF JUNE 9TH

WATER DAYS ARE COMING!
