TEACHERS.

THE DRAWBRIDGE

NOVEMBER 2025

A NOTE FROM MRS. JACKIE

November is an amazing month to reflect on the things you are grateful for. I just want to say **THANK YOU** to all of amazing families we have at our school. Thank you for all of your love and trust you instill in all of us daily. I am filled with so much gratitude for all of you wonderful parents for being part of our school family this year.

Helping Picky Eaters Enjoy Thanksgiving

The Thanksgiving table is full of delicious sights and smells, but for a picky eater, it can feel overwhelming. To make mealtime smoother, try offering a balance of familiar favorites and a few new dishes to explore. Allow your child to choose what goes on their plate and how much they want to eat. Encourage tasting, but avoid pressure, kids are more likely to try new foods when they feel relaxed and included. You can also involve your child in simple prep tasks like stirring, setting the table, or helping bake a dessert, kids are often more interested in trying food they helped make! Most importantly, focus on enjoying time together as a family. Thanksgiving is about gratitude, not perfect eating habits. Celebrate small wins and savor the moments that matter most.

Happy Thanksgiving from all of us at A Children's Kastle

The cooler weather is finally here. Please be sure to label your child's hats, gloves, and especially jackets. Thank you for all that you do as we continue to keep our student's health and safety a priority.

Parent-Teacher conferences will be held starting the week of November 17. A sign up sheet will be posted on your child's classroom door. Please sign up for a time to meet with your child's teacher. If there is a conflict with the times that are listed, please speak with the office to schedule a different time.

Sweater Weather

HELP US KEEP YOUR CHILD SAFE!

Your access card is an important part of our school's security system. Our doorbell is only intended to alert staff when someone unfamiliar needs entry. For the safety of all children, please make sure you use your access card each time you enter the building. As the world becomes increasingly cautious, it's more important than ever that every parent and staff member consistently uses the safety measures we have in place. Lately, we've been hearing that doorbell a little too often (we might even be dreaming about it!). If your access card isn't working or you've misplaced it, please stop by the office, we'll happily issue you a new one.

Thank you for helping us keep our school safe and secure for everyone!
